A message from Ms. Tiao:

Why I teach music!

- So you can play and sing all of your life!
- So you will be human.
- So you will recognize beauty.
- So you will be closer to an infinite beyond this world.
- So you will have something to cling to.
- So you will have more fun, more love, more compassion, more gentleness in life.

What is the value of making a prosperous living unless you know how to live!
